

SUNFORGETTABLE® TOTAL PROTECTION™ FACE SHIELD CLASSIC SPF 50

Formulated with our exclusive EnviroScreen® Technology to provide sheer, all-mineral protection from environmental aggressors such as UVA/UVB, pollution, blue light, and infrared radiation. Patented ingredients and a hydrating, antioxidant-rich mineral formula nourish and protect against free radicals that contribute to premature aging and skin damage. Total protection in an elegant texture that blends effortlessly with a weightless finish.

FEATURES & BENEFITS

- + Lightly tinted and blends easily for sheer coverage
- + Natural to dewy finish
- + Protects from UVA/UVB, blue light, pollution, and infrared radiation
 - o SPF 50 / PA++++ ; Water/sweat-resistant: 40 minutes
 - o Tested to protect from 71% of HEV (blue) light
- + Proven to protect against free radical formation and damage
- + Hydrating and antioxidant-rich formula
- + 100% mineral, chemical-free active ingredients
- + Dermatologist tested, hypoallergenic, non-comedogenic
- + Free of parabens, sulfates, phthalates, oil, dyes, and fragrance

ACTIVE INGREDIENTS

- + **Patented, non-nano Zinc Oxide 12%:** UVA/UVB and Free Radical Defense

SPECIALTY* INGREDIENTS

- + **Iron Oxides:** Micronized pigments used as cosmetic colorants. Also proven to protect skin from damage and photoaging caused by blue (HEV) light
- + **LIPOCHROMAN™:** Powerful antioxidant that helps prevent skin aging due to pollution and other environmental aggressors
- + **Bisabolol:** Soothing agent derived from chamomile oil that helps to calm and condition the skin
- + **Vital ET™:** This bio-available form of vitamin E, combining tocopherol phosphate with disodium lauryliminodipropionate, provides antioxidant support while helping to calm skin both prior to and following UV exposure
- + **Silver Ear Mushroom Extract:** Significantly more hydrating than hyaluronic acid. Proven to provide immediate hydration and improve skin's ability to retain moisture. Also provides antioxidant support to defend against premature skin aging
- + **Niacinamide:** Also known as Vitamin B3, it helps soothe skin, aid the skin barrier, and balance sebum production
- + **InfraGuard:** Combination of tara tannins, a powerful antioxidant, and organic sunflower sprouts that help to protect skin against the aging effects of infrared radiation

HOW TO USE

- + Shake well before each use. Apply liberally and evenly to face, neck, and décolleté. Reapply at least every two hours.

WHY FACE SHIELD CLASSIC SPF 50?

- + EnviroScreen® Technology provides powerful proven defense against UVA/UVB, HEV (blue) light, infrared radiation, and pollution
- + Patented mineral actives are proven to minimize free radical production, while antioxidants neutralize free radical activity
- + Use with our full line of powerful multi-tasking sunscreens to customize a complete look
- + Always chemical-free, gentle sunscreen actives

MSRP: \$52 • 1.8 fl. oz / 55 mL
