

# SUNFORGETTABLE® TOTAL PROTECTION™ BRUSH-ON SHIELD SPF 50

EnviroScreen™ Technology to provide protection from environmental aggressors such as UVA/UVB, pollution, blue light, and infrared radiation (IR). Patented ingredients and an antioxidant-infused mineral powder protect against free radicals that contribute to skin damage while hyaluronic acid hydrates for supple skin. Environmental protection in one convenient, on-the-go application—alone or over makeup.

## FEATURES & BENEFITS

Provides environmental protection against UVA/UVB, pollution, blue light, and infrared radiation

- + Convenient, easy-to-apply, portable brush
- + Hydrating and antioxidant-rich formula
- + Can be used alone or over makeup
- + Antimicrobial bristles help protect the brush and keep it fresh
- + Hypoallergenic & Non-comedogenic
- + 100% chemical-free active ingredients
- + Broad Spectrum SPF 50/PA++++
- + Water/sweat resistant (80 minutes)
- + Dermatologist recommended
- + Works on all skin types and tones

## ACTIVE INGREDIENTS

- + **Zinc Oxide:** 22.5%
- + **Titanium Dioxide:** 22.5%

## SPECIALTY INGREDIENTS

- + **Iron Oxides:** Blue Light Protection and shade match
- + **Vitachelox®:** Antioxidant and Pollution Defense
- + **Hyaluronic Acid Powder:** Hydration
- + **InfraGuard:** IR Defense

## HOW TO USE

Ensure powder flows freely from brush head by activating it on the back of your hand. Apply generously and evenly in a circular motion onto moisturized skin prior to exposure to environmental stressors. Reapply at least every two hours.

## WHY YOUR CLIENTS NEED SUNFORGETTABLE® TOTAL PROTECTION™ BRUSH-ON SHIELD

- + Environmental protection in one convenient, on-the go application—alone or over makeup
- + 100% mineral protection (free of chemical active ingredients) that is suitable for all skin types as well as vulnerable post-procedure skin
